Bronze Sponsors

Business Development Sponsors

Business Development Partner

Key Practical Learning Points:

- Establishing a demolition programme for Saudi Aramco
- Keltbray Decommissioning – Power Sector Demolition in Industrial, Urban & Rural Environments
- Selling your site – with undemolished station though with value add and limited liabilities
- Decommissioning coal fired power stations –so many conferences, have we progressed?
- Power Station Demolition Project Management Process
- Multiple Demolition of Chimneys in Australia
- Financial Implications on the phase-out of conventional PP
- Innovative explosive technologies and methods: Enhancing safety and efficiency in explosive demolition
- Explosive Demolition of former Coking Plant at British Steel, Scunthorpe, UK
- The Next Generation of Particulate Encapsulation and hazardous waste tracking
- Power Plant Demolition Experience
- Decommissioning on High-Hazard Sites – What Is The Route Map?
- Establishing, and Maintaining Health & Safety Excellence in Decommissioning and Demolition Projects.
- Decommissioning and Demolition are always unique.
- End of Life Power Plants – Options & Opportunities, Project Planning,
- DDD - Options, opportunities, pitfalls, planning and procurement
- Winning the race to the top. Why asbestos & demolition need change for the better.
- The Technical and detailed aspects of Explosive Demolition Events
- Case Study from Petrochemical Industry
- Overview: Implications of climate and air policy for EU coal plant owners
- A power plant preparing for the unavoidable shut down in the unknown future
- Economic Success with Second-hand Power Plant Equipment?
- Walking into the sunset – The last farewell of two Portuguese giants
- Demolish one station vs. a program – what makes the difference?
- Innovative explosive technologies and methods: Enhancing safety and efficiency in explosive demolition
- Site Redevelopment – New Life to 23 plants
- Asbestos: so small, such big liabilities
- Conventional Decommissioning & Demolition on Nuclear Sites – Challenges and Opportunities
- Controlled Collapse of a Cooling Tower without Blasting
- Presentation of First Industrial Relocation Market Report 2019
- Designing for Demolition during Late Life in the Power Sector

Conference Day One

Wednesday, 16th of September 2020

08:30 Registration and Morning Coffee

08:50 Opening Address and welcome from the Chair

09:00 **INTRODUCTION** Program, VIP GUESTS, Exhibitors, PARTNERS AND SPONSORS

BECOME A SPONSOR

Contact: sponsorship@europe-dd-forum.eu / info@europe-dd-forum.eu

09:15 Keltbray Decommissioning – Power Sector Demolition in Industrial, Urban & Rural Environments

- TBA

Bob Johnstone
Managing Director - Decommissioning
Keltbray Ltd

10:00 Multiple Demolition of Chimneys in Australia

Matthew Milloy
Business development Manager
Alford Technologies, UK

10:45 Coffee and Networking Break *****Exhibitors space *****

11:15 Blown up of 2 cooling towers in the nuclear power plant Philippsburg

Eduard Reisch
General Manager
Reisch Sprengtechnik GmbH

12:00 Establishing a demolition programme for Saudi Aramco

- Who we are “Saudi Aramco”
- Story began with Demolition Industry
- Preparation to Select Demolition Contractor
- EDA Study Tour in Japan
- Contracting strategy for Demolition ASL Tank B
- Develop Demolition and Decontamination procedures
- Preparation to Select Demolition Contractor
- Demolition Team
- Current Situation of Demolition Industry at Saudi Market
- Saudi Arabia market for Demolition Industry
- What we are looking from Global Demolition Industry

Adam I Alsafran
Lead Project Engineer
Saudi Aramco

12:45 Lunch and Networking break *****Exhibitors space *****

13:45 Implementing conventional demolition on Nuclear sites – challenges and opportunities

- Summary of lifecycle decommissioning process on a Civil Nuclear Site
- Work done to date and future 10y plan
- Unique challenges
- Hinkley Point A Turbine Hall demolition – case study
- Trawsfynydd Pond Complex – Demolition plans & opportunities
- Dungeness A Heat Exchanger Removal Project – Demolition plans & opportunities

Matthew Tilsley - John Alderton
Chief Engineer - Programme Delivery Manager
Magnox LTD

14:30 Asbestos: so small, such big liabilities

- About the European Asbestos Forum Foundation
- What is true about exposure: fact version emotion
- Asbestos removal in a dangerous situation
- Avoiding various liabilities

Yvonne Waterman Ph.D. LL.M.
Founder and President
European Asbestos Forum Foundation

15:15 Coffee and Networking break *****Exhibitors space *****

15:45 Designing for Demolition during Late Life in the Power Sector

- Hear how the impact of not considering the following can affect your projects with some real life examples:
- Incorrect information
- Isolations
- Decommissioning | • Contracting model

Steve Andrew
Demolition and Remediation Manager
ABB Limited

16:30 Panel Discussion: Overcoming the lack of key personnel and experience

Matthew Milloy
Yvonne Waterman Ph.D. LL.M.

17:15 End of Days 1 and Closing Remarks by the Chair

Wednesday, 16 . September 2020

Conference Day Two

Thursday, 17th of September 2020

08:30 Registration and Morning Coffee

09:00 Power Station Demolition Project Management Process

- Project Planning
- Project Implementation
- Decommissioning
- Project Management & Execution
- Project Demolition

Srinivas Ramulu
Project Manager
Uniper Technologies Ltd

09:45 Selling your site – with undemolished station though with value add

- Selling your site – with undemolished station though with value add and limited liabilities
- Strategic approach to End of Asset Life sites
- Phases for successful site sale process with individual key deliverables and value drivers
- Selected case studies (Veltheim, Knepper, Ironbridge)

Ing. Arne Kristoffer Bayer
Head of Asset Development
Uniper

10:30 Coffee and Networking Break *****Exhibitors space *****

11:00 Power Plant Demolition Experience

Natalie Samelova
Manager
MROZEK a.s.

11:45 Economic Success with Second-hand Power Plant Equipment?

- Used and re-usable power plants and/or valuable individual equipment - no longer needed here but maybe still needed elsewhere
- Assessment of the existing market potential for sales offers and searches
- Outlook on possible international market developments
- Success factors for sellers and buyers
- Selected successful sales and relocation cases (land-mark projects and recent relocations)

Andreas Stephan
General Manager
SPRINT! Energy Consulting GmbH

Hardy Hilliges
Business Development
VPC

12:30 Lunch and Networking break

13:30 The Next Generation of Particulate Encapsulation and hazardous waste tracking

14:15 A power plant preparing for the unavoidable shut down in the unknown future

- Power station Mehrum in key figures
- The challenge of keeping the staff engaged
- Leverage cost and performance in an uncertain time
- Selection and negotiation of a decommissioning contractor for the demolition in the future

Armin Fieber
Managing Director
Kraftwerk Mehrum GmbH

15:00 Coffee and Networking break *****Exhibitors space *****

15:30 Presentation of First Industrial Relocation Market Report 2019
Case Study Relocation Of Power Plants

Bartosz Swiderek
CEO
Polinowex

16:15 Panel Discussion: Decommissioning on High-Hazard Sites – What Is The Route Map?

Armin Fieber / Morozek/ Bartosz Swiderek

17:00 End of Day 2 and Closing Remarks by the Chair

TERMS AND CONDITIONS:

By sending this form, I confirm that I have read and accepted the terms and conditions detailed below.

- **Governing Law:** Mon Bien S.R.O., headquartered in Praha – Nusle, Jaromírova 158/54, PSČ 128 00, IČO: 03616541, registered in the Commercial Register, maintained by the Municipal Court in Prague, Section C, File 234664. This contract shall be governed in accordance with the law of the Czech Republic and the parties shall submit to the Jurisdiction of the Czech Courts in Prague. Only Mon Bien S.R.O. keeps the right to waive this condition and adhere to the jurisdiction of the courts, where the customer's office is located.
- **Payment Terms:** Prior to the completion of your registration, full payment is required within 5 (five) business days from the registration's date. Payment shall be received 10 (ten) business days before the event; otherwise, Mon Bien S.R.O. keeps the right to refuse the access to the event.
- **Contract:** All registrations carry 50% of cancellation liability, once a signed registration form has been received by Mon Bien S.R.O.
- **Substitution:** Should the full payment be received by Mon Bien S.R.O., you may substitute and nominate another delegate(s) at no extra charges by providing us a written notice not later than 10 (ten) business days prior to the conference.
- **Cancellation:** Considering that the full payment is already received by Mon Bien S.R.O., and the customer is unable to attend, cancellations must be received in written form no later than 10 (ten) days prior to the conference. The customer will receive an 80% credit note valid for 1 year, which can be used at any other Mon Bien S.R.O. event within one year from the date of the issuance of the credit note. Mon Bien S.R.O. is obliged to inform customer of the upcoming events. 20% of the registrations fees will be retained by Mon Bien S.R.O. as a registration processing fees. The customer will still receive the documentation package of the conference, regardless the attendance status
- **Postponements:** Should Mon Bien S.R.O. postpone or cancel an event for any reason, the attending customer will receive a 100% credit note valid for one year to be used at any other Mon Bien S.R.O. event within 12 months from the date of the issuance of such a credit note. Mon Bien S.R.O. is obliged to inform the customer of the new dates of the postponed event and the other upcoming events. Mon Bien S.R.O. carries no liability for the postponements or cancellations. Further claims are excluded.
- **Copyright:** All Intellectual Property Rights in all materials, produced or distributed by Mon Bien S.R.O. in connection with this event, is expressly reserved and any unauthorized duplication, know-how, trademarks, registered designs, publication or distribution and inventions provided by Mon Bien S.R.O. is strictly prohibited and will be governed in accordance with the law of the Czech Republic.
- **Data Privacy and Protection:** The customer agrees that the data, submitted in the registration form are correct. This data will be treated as confidential and will be kept and used only by Mon Bien S.R.O., Mon Bien S.R.O. are obliged not to publish, distribute, sell or make this data available to any other parties. Mon Bien S.R.O. claims that it protects personal data in accordance with law no. 101/2000. By registering for one of our events, you give us your permission to keep you informed of future events and content within your field of interest. We will only receive the relevant information (by email, or phone). If you wish to unsubscribe, please send an email to info@monbien-events.
- **Force Majeure:** Please, note that, even when the speakers and topics are confirmed at the time of publishing, every effort will be made to adhere to the advertised package, unpredictable circumstances might force substitutions, or cancellations of the speakers and/or topics. Mon Bien S.R.O. keeps the right to modify the panel of speakers and/or topics, whenever it seems necessary, without taking any liability. Mon Bien S.R.O. is obliged to notify any substitutions or alterations to the event agenda and the website. Further claims are excluded. Mon Bien S.R.O. carries no liability in case of extraordinary circumstances, such as, however not limited to: Act of God, natural disasters, war, flood, extreme weather that hinders performance of this conference in the conditions of impossibility or impracticability.
